Meeting Resolutions

Resolution 1 of 2013 – It was agreed that the completed questionnaires would be submitted by 12 July 2013 to Unido for the planning and arranging of the LM School in Tunisia 2014.

Resolution 2 of 2013 - It was agreed that the Legal Metrology school will take place, however the need to revise the course dates was highlighted. The meeting agreed that the course should take place during the second Quarter of 2014.

Resolution 3 of 2013 It was agreed that the LM School Committee should have its first meeting during September 2013 in Tunisia. This meeting will form the basis of the Course content for submission to UNIDO.

Resolution 4 of 2013 - A new working plan will be discussed during the next LM Work group meeting, based on the outcome of the LM school and the specific outcomes of the work programmes in each Sub region.

Resolution 5 of 2013 - The LM Working Group thanks the PTB for their support for the Legal & Industrial metrology training session to be held in the UK during September 2013.
