## Updating AFRIMET Guidelines for QMS approval

- According to AFRIMETS transition plan The procedure of QS approval should be updated.
- Draft of the document update was discussed in the steering committee meeting, to be finalized after the meeting by dissemination through email.
- Secretariat to publish upon approval.
- The revision includes :
  - Clarification of steps of QS approval for the two pathways
  - Criteria for withdrawal of QS approval
  - Determination of the timeline between different stages during QMS approval .
- Feedback regarding this procedure will be given to the EXCO and GA.

## Updating AFRIMETS Template for QMS review

Two templates have been reviewed to be inline with the ISO 17025:2017 and ISO 34:2016

- AFR-14-01b for pathway A
- AFR-14-02 QS for pathway B
