10. Resolution

2. TC Legal office bearers

Chairperson	Eng. John Paul Musimami
Vice Chairperson	Eng. Himba Chelo
WG 1 – Education	EAMET
WG 2 – Awareness	EAMET
WG 3 – Legislation harmonization 1 – Prepackages	SADC MEL

3. Issues discussed

- TC Legal noted the poor attendance of the meetings and workshops which could probably be to the breakdown in communication.
- TC Legal is to circulate the stocktaking document updated for the 2023 PAQI stocktaking. There is need to carry out evaluation of the same and create interventions where possible.
- The overall view of members is that the issue of AFRIMETS sustainability is good.
- TC Legal noted the need to activate projects within the working groups.

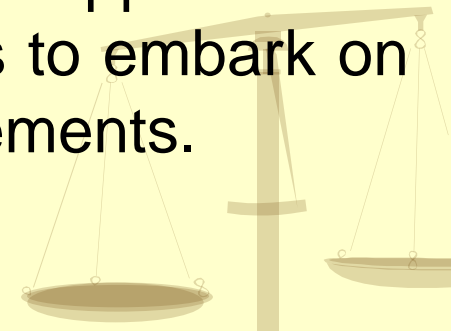

4. Workshop

- A workshop was held in regard to electricity smart meters.
- There were three guest speakers namely:
 - Pavel Klenovsky, WELMEC Chair – smart meters
 - Dr Juan carlos Mateus sanchez – Regulation of Smart Electricity Meters
 - Sowmya Ramakrishnan (NMIA) – Electricity Metering – International Developments

5. Resolutions

- **TCL 1 2022** – TC Legal resolved to keep the office bearers for an additional term given that few activities took place due to COVID 19 and the attendant lockdowns.
- **TCL 2 2022** - The TC Legal resolved that the contact lists be updated by SRMO so that contact is made directly to all members so as to improve on communication.
- **TCL 3 2022** – The TC Legal requests AFRIMETS EXCOM to support specific interventions that may be proposed after evaluating the data submitted in the course of PAQI stock taking heatmap.
- **TCL 4 2022** – Noting that there is need to support trade intratrade on the African Continent, TC Legal is to embark on the harmonization of prepackage control requirements.

5. Resolutions

- **TCL 5 2022** – TC Legal appreciate all the support it received from the AFRIMETS Secretariat which enabled it to hold its online meeting.
- **TCL 6 2022** – TC Legal appreciates all the support that was given to it by OIML.
- **TCL 7 2022** – TC Legal appreciates all those that made the presentations during the workshop on electricity meters. .

THANK YOU
