TC-AUV Feedback

Presented by: O Kruger

Prepared by: R Nel (TC-AUV Chair)

Background and Members

TC-AUV relates to Acoustics in air and water, Ultrasound and NDT, Vibration

Current members:

- KEBS (Kenya)
- NMISA (South Africa)
- NIS (Egypt)

Activities undertaken during the reporting year

- TC-AUV meeting held at last CCAUV, Oct. 2013
- KEBS applied for observer status to the CCAUV
- AFRIMETS.AUV.V-S3 published, piloted by KEBS co-pilot NMISA
- AFRIMETS.AUV.A-S1 measurements almost complete, NMISA pilot

On-going comparisons

- AFRIMETS.AUV.A-S1 measurements in progress (NMISA pilot, KEBS participate)
- CCAUV.A-K5 Draft A circulated (NMISA participated)
- CCAUV.V-K3 in progress (NMISA to participate)

Plans for the next reporting period

- AFRIMETS.AUV.A-S1 to be in Draft stage
- Possible new comparison registration to mirror APMP.AUV.A-S1
- Participation in CCAUV.V-K3
