

African Nuclear Physics Conference (ANPC) 20 - 24 September 2021 Second Call for Abstracts and Registration

The second African Nuclear Physics Conference (ANPC), which will be fully online, will be held from **Monday 20 September 2021 to Friday 24 September 2021**.

The deadline for [abstract submissions](#) has been extended until **Wednesday 7 July 2021** and [registration is open](#). Please note that although participation in the conference is free of charge, registration is compulsory.

The main topics of the ANPC 2021 are:

- Nuclear Astrophysics
- Nuclear Structure, Reactions and Dynamics
- Neutron Physics
- Applied Nuclear Physics
- New Facilities and Instrumentation

The topic for the workshop is:

- Nuclear Physics with Large Gamma-ray Arrays and Stable Ion Beams

We are looking forward to meeting you at ANPC 2021!
