Application for NEWMET principle membership of AFRIMETS

Dear Prof. Wynand Louw
AFRIMET chair person

I would like to inform you that a new sub- regional metrology organization has been formed in North, East and West Africa continent under the name of NEWMET on Sunday 21 June.

Five African countries {the National Institute for Standards of Egypt (NIS), the Standards Organization of Nigeria (SON), the Ghana Standards Bureau (GSB), the Quality and Standards Authority of Ethiopia (QSAE), The Libyan National Centre for Standardisation and Metrology (LNCMS) } have signed the MOU by the name of their countries for establishment of the new sub-regional organization NEWMET. In addition to that the Sudanese Standards & Metrology Organization (SSMO) agreed to join the NEWMET.

In the 1st NEWMET-GA held at NIS-Egypt, Sunday 21 June 2009, the delegates elect the followings to take care the affairs of the NEWMET;

Title	Name	Country
Chairperson	Prof. Ali E. Abul Ezz	Egypt
Vice Chair	Mr. Paul Michael Date	Ghana
Executive Secretary	Dr. Mohamed Aly Hassan	Egypt
Technical & Quality Support Unit Coordinator	Dr. Yasser Abdel Aziz	Egypt
Awareness and R&D Unit Coordinator	Eng. Obiora Manafa	Nigeria

NEWMET-SRMO is satisfied with the AFRIMETS-MOU and as a Prerequisite for membership hereby submits an application for consideration as principal members of AFRIMETS.

We Hope that our new membership will be effective toward supporting the metrology in Africa.

Sincerely Yours

Prof. Dr. Ali Abuelezz
NIS President, Chairperson of NEWMET
